

NATALIE NGUYEN

Prospective College Student

OBJECTIVE

I am looking to pursue a degree in Cinematography in the fall of 2023 to further develop my filmmaking skills and ideas, as it is a field of study I have been passionate about since junior high. In the meantime, as a student, I am looking for an internship opportunity where I can practice and gain filmmaking skills in a professional working environment.

WORK EXPERIENCE

Owner

Natalie Nguyen Productions, 2020-Present

- I am a freelance videographer working with small businesses to produce commercial content for their brand. I also film "mock commercials" for products such as Pepsi and would love to create documentaries. See my work at channel.natalienguyen.com.

Marketing Assistant

Pikarar, April 2020-Present

- Helped design and build Pikarar's website. Counted inventory items and maintained website. Organized and prepared products for shipping.

Director, Videographer, and Editor

Lyly's Cookies, December 2021-February 2022

- Worked with client to produce a promotional video for their cookies. Discussed ideas, set up lighting on location, shot content, and edited the final commercial.

Pet Sitter

October 2019-August 2021

- Supervised dogs and other pets while their owners were away. Also performed house duties such as locking all doors, setting up lights, and keeping the house clean.

EXTRACURRICULARS

Vietnamese Eucharistic Youth Movement (VEYM), Austin, Tx

2010-2021, 1Hr/36Wks

- Faith organization focused on training youth in the church
- Learn team building skills and spread the Vietnamese culture in the Austin community

Holy Vietnamese Martyrs Catholic Church Religious Education, Austin, Tx

2010-2021, 1Hr/36Wks

- Sunday bible school where students practice the Catholic faith through religious instruction
- Organize and supervise events at the church for the youth

Cedar Ridge High School Cross Country, Round Rock, Tx

2019-2020, 8Hrs/36Wks

- Train for cross country meets before and during school
- Raise school spirit at school and sporting events
